ABOUT THE COLLEGE

BLDE Association founded the College of Nursing at Tikota in 2019, with a capacity of 40 students. The college is affiliated to Rajiv Gandhi University of Health Sciences, Recognized by Karnataka State Nursing Council, and Government of Karnataka, Bengaluru, Karnataka. The institution attempts to balance its courses in order to provide students with a well rounded nursing education that incorporates theory, practice, and orientation to various departments for advanced treatments.

BLDE Deemed to be University's Shri B. M. Patil Medical College Hospital and Research Centre is a benefit to the college that all nursing students can use as a training facility. The hospital is outfitted with cutting edge features to provide students a contemporary perspective on the medical profession.

VISION

BLDEA's College of Nursing will be a nationally recognized center of excellence in knowledge, expertise and research which provide leadership in the advancement of the profession.

MISSION

The mission of BLDEA's College of Nursing is to provide supportive and creative education programme and to prepare caring, innovative, professional nurses based on mutual respect and commitment.

OBJECTIVES

We the faculties are committed to:

1. Equip nursing graduates to adapt, to rapid changes in health care delivery and practice.
2. Build a foundation for nursing graduates to pursue excellence in practice.
3. Assess, identify and develop a plan to address community needs.
4. Provide faculty assess to professional development.
5. Maintain collaboration with area health care agencies and educational institutions.

ABOUT WORKSHOP:

Career development workshops help students to understand what drives them in their careers – and how to grow and gain critical experiences and skills for the future. Empower career enablers, from managers to career coaches, to support people to navigate rewarding careers. There are a number of advantages to attending a career workshop. Networking, learning new skills, and developing new ways of thinking are all possibilities at workshops.

They can also provide evaluations or assessments to assist individuals in determining their strengths and areas for growth. Business professionals may benefit from attending workshops for professional development. Workshops can also be fun, interactive, and motivating, which can help people become more motivated to work toward their career goals. In general, taking part in a career workshop can be a wise investment in one's professional growth.

AIM:

This workshop aims at preparing students for transition and empowering them to face the challenges, thus strengthening nursing in generation to come.

OBJECTIVES:

At the end of the workshop the students will be able to:

- ✓ Understand your skills, strengths, weakness, personality traits and values.
- ✓ Apply the strengths and skills to different positions and different careers.
- ✓ Learn step by step process to move, change position, operate, start, relocate, transfer or pass from one point to another.
- ✓ Take right action at the time to achieve success.
- ✓ Face interview effectively.
